

Lowell High School Equestrian Team

Sponsorship 2018

Dear Friends,

The Lowell High School Equestrian Team is looking to begin their 2018 show season and we are very excited about the talented group of riders we have this year. Lowell Equestrian has a long history of successfully advancing from the District level to the Regional and State Championships. Last year, we finished top 3 in our Regional Championship.

The cost of sending riders to the Regional and State Championships is quite steep. For a team of 12 high school students, we anticipate our cost this year to be around \$7,200.00, for Meet entry fees, stall fees, stall bedding, and miscellaneous expenses. That cost is in addition to the cost of hotels and travel, and expenses associated with owning and/or leasing a horse, tack, truck and horse trailer, which can be overwhelming for most families.

We ask you to please consider supporting the team through a donation. All support is greatly appreciated, and vital to our success. Sponsors will receive recognition at our banquet, on our website at www.lowellequestrianteam.weebly.com, as well as receive a token of appreciation.

Thank you for your support on behalf of all the riders of the Lowell High School Equestrian Team.
